Dear Maureen:

I hope you have been well.

Answering the questions in the above-referenced letter led to the following:

1. Description of Itemization of Disbursements: Per review of the reports filed, the items that contain the description of 'In-kind Silent Auction Items' are also populated on the itemized schedule of contributions as in-kind contributions. Per review of 11 CFR 104.13(a)(2) and the FEC's Campaign Guide for Political Party Committees, itemized contributions selected as in-kind are also populated on the itemized disbursements schedule as to not inflate the cash-on-hand amount. I have edited each of these in-kind contributions' transaction descriptions (and the resulting offsetting disbursement) to provide more information as to what was donated and that these are now in accordance with 11 CFR 104.13(a)(2).

Additionally, the amendment of the February report resulted in an amendment for March. We have filed this amendment at the same time as filing the February Monthly report.

Thank you for your time and help with this submission, We appreciate all of your help.

Regards,
Kyle Jackson
